

FAST EMPIRE — Prompts de edificios, casas y locales

30 prompts listos para copiar y pegar. Todos de frente (fachada frontal, sin ángulo de esquina), con el techo visible y fondo magenta sólido (#FF00FF) para recortar fácil. Pixel art, grilla de 32 px.

EDIFICIOS

1. Edificio de oficinas (original)

Mid-rise office building seen directly from the front, 6 floors, beige concrete facade with rows of blue-tinted windows, flat gray rooftop tilted toward the viewer with AC units, water tank, satellite dish and rooftop access door, front entrance with glass double doors and awning. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

1a. Oficinas variante gris

Mid-rise office building seen directly from the front, 6 floors, light gray facade with green-tinted windows, flat rooftop tilted toward the viewer with two AC units, antenna array and a rooftop billboard frame, revolving door entrance. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

1b. Oficinas variante vidriada

Mid-rise office building seen directly from the front, 5 floors, dark blue glass curtain-wall facade, flat rooftop tilted toward the viewer with a helipad circle, solar panels and vents, wide marble entrance steps. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

1c. Oficinas variante terracota

Mid-rise office building seen directly from the front, 6 floors, terracotta facade with white window frames, flat rooftop tilted toward the viewer with a rooftop garden, water tank and clotheslines, small lobby entrance with a canopy. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

2. Departamentos antiguos (original)

Old brick apartment building seen directly from the front, 4 floors, red-brown brick facade, fire escape stairs on the front wall, windows with laundry lines and flower pots, flat tar rooftop tilted toward the viewer with pigeons, antenna cluster and a skylight. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

2a. Departamentos variante ocre

Old brick apartment building seen directly from the front, 4 floors, yellow-ochre brick facade, fire escape on the front wall, flat tar rooftop tilted toward the viewer with a rusty water tower and TV antennas, laundry hanging from two windows. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

2b. Departamentos variante gris

Old brick apartment building seen directly from the front, 3 floors, gray brick facade with a faded painted advertisement on the front wall, flat rooftop tilted toward the viewer with a pigeon coop and satellite dishes, cracked front steps. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

2c. Departamentos variante roja con toldos

Old brick apartment building seen directly from the front, 4 floors, dark red brick facade with green awnings over some windows, flat rooftop tilted toward the viewer with a skylight, chimney pipes and a folding chair, potted plants by the entrance. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

3. Depósito industrial (original)

Industrial warehouse seen directly from the front, corrugated metal facade in faded green, large sliding cargo door in the center, loading dock with pallets in front, wide metal rooftop tilted toward the viewer with ventilation fans and rust stains. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

3a. Depósito variante azul

Industrial warehouse seen directly from the front, corrugated metal facade in faded blue, two roller shutter doors, wide metal rooftop tilted toward the viewer with skylight strips and exhaust fans, stacked barrels in front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

3b. Depósito variante oxidado

Industrial warehouse seen directly from the front, corrugated metal facade in rusty red-brown, one large cargo door half open showing darkness inside, rooftop tilted toward the viewer with patched metal sheets and a crooked antenna, wooden pallets in front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

3c. Depósito variante amarillo

Industrial warehouse seen directly from the front, corrugated metal facade in pale yellow with a painted lot number, sliding door with a padlock chain, rooftop tilted toward the viewer with ventilation turbines and bird nests, traffic cones by the entrance. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

12. Banco "BANCO NORTE"

Solid neoclassical bank building seen directly from the front, 3 floors, pale stone facade with four columns framing a heavy bronze door, barred lower windows, flat rooftop tilted toward the viewer with a dome skylight and a flagpole, rooftop sign with a golden shield logo and the text "BANCO NORTE". 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

13. Hotel "HOTEL LUNA"

Cheap roadside hotel seen directly from the front, 3 floors, salmon-pink facade with identical rows of small windows and AC boxes, flat rooftop tilted toward the viewer with a large neon sign of a crescent moon and the text "HOTEL LUNA" with one letter unlit, glass lobby door with a bell. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

14. Comisaría

Small police station seen directly from the front, 2 floors, light blue and white facade, barred windows, double metal door with a lamp above, flat rooftop tilted toward the viewer with a radio antenna tower, spotlight and sandbags, badge-shaped emblem over the entrance. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

CASAS

4. Casa suburbana (original)

Small suburban family house seen directly from the front, light yellow facade, dark red gabled rooftop tilted toward the viewer with a brick chimney, white front door centered with two shuttered windows, tiny front garden with bushes and a mailbox. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

4a. Suburbana celeste

Small suburban family house seen directly from the front, pale blue facade, brown gabled rooftop tilted toward the viewer with a chimney, red front door, white picket fence and a tricycle in the garden. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

4b. Suburbana verde menta

Small suburban family house seen directly from the front, mint green facade, gray gabled rooftop tilted toward the viewer with a satellite dish, wooden door with a porch light, garden with a small tree and a garden gnome. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

4c. Suburbana durazno

Small suburban family house seen directly from the front, soft peach facade, dark brown gabled rooftop tilted toward the viewer with a chimney and a soccer ball stuck in the gutter, garden hose coiled by the door. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

5. Casa humilde (original)

Modest working-class house seen directly from the front, unpainted gray cinder-block facade, flat corrugated tin rooftop tilted toward the viewer held down with bricks and an old tire, single wooden door, small barred window, dirt patch in front. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

5a. Humilde naranja a medio pintar

Modest working-class house seen directly from the front, cinder-block facade half-painted in faded orange, flat corrugated tin rooftop tilted toward the viewer weighed down with bricks, doorway covered by a hanging cloth, plastic chairs in front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

5b. Humilde de ladrillo con lona

Modest working-class house seen directly from the front, bare brick facade with patches of gray cement, tin rooftop tilted toward the viewer with a blue tarp corner and a car tire, barred window, dog house in the dirt yard. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

5c. Humilde con antena torcida

Modest working-class house seen directly from the front, cinder-block facade with a hand-painted house number, rusty tin rooftop tilted toward the viewer with a crooked TV antenna, wooden door with a padlock, clothesline with laundry beside the house. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

6. Casa de dos pisos (original)

Two-story middle-class house seen directly from the front, white facade with light blue trim, brown tiled rooftop tilted toward the viewer, small upper balcony with railing over the front door, garage door on one side of the facade, paved driveway. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

6a. Dos pisos beige

Two-story middle-class house seen directly from the front, beige facade with dark green trim, gray tiled rooftop tilted toward the viewer, upper balcony with plants, carport instead of garage. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

6b. Dos pisos rosa

Two-story middle-class house seen directly from the front, light pink facade with white trim, red tiled rooftop tilted toward the viewer with a dormer window, bay window on the ground floor, brick driveway. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

6c. Dos pisos gris

Two-story middle-class house seen directly from the front, pale gray facade with navy shutters, brown tiled rooftop tilted toward the viewer with a chimney and satellite dish, double front door, hedge along the front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

7. Casa moderna (original)

Modern minimalist house seen directly from the front, dark gray and wood-panel facade, flat white rooftop tilted toward the viewer with solar panels and a small terrace with plants, large floor-to-ceiling front window, concrete path and cactus garden in front. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

7a. Moderna blanco y negro

Modern minimalist house seen directly from the front, white and black facade, flat rooftop tilted toward the viewer with a pergola and lounge chair, tall narrow window, gravel garden with a single tree. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

7b. Moderna con techo verde

Modern minimalist house seen directly from the front, concrete and glass facade with warm wood accents, flat green rooftop tilted toward the viewer covered in grass and skylights, sliding glass door, stepping stones in front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

7c. Moderna arena

Modern minimalist house seen directly from the front, sand-colored facade with a dark steel frame, flat rooftop tilted toward the viewer with solar panels and a small wind turbine, frosted glass entrance, bamboo plants in front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

8. Casona abandonada (original)

Old decaying Victorian-style house seen directly from the front, faded purple-gray wooden facade with peeling paint, steep dark rooftop tilted toward the viewer with broken shingles and a hole, boarded-up front window, crooked front porch, overgrown weeds. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

8a. Casona con enredadera

Old decaying Victorian-style house seen directly from the front, faded teal wooden facade with ivy climbing one side, steep rooftop tilted toward the viewer with missing shingles and a leaning weathervane, broken porch swing. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

8b. Casona quemada

Old decaying Victorian-style house seen directly from the front, ash-gray facade with burn marks around one window, partially collapsed rooftop tilted toward the viewer showing exposed beams, door hanging off one hinge, dead tree in front. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

8c. Casona tapiada con grafitis

Old decaying Victorian-style house seen directly from the front, dusty brown facade with graffiti tags, dark rooftop tilted toward the viewer with a hole patched by a metal sheet and crows perched on the ridge, windows sealed with wooden planks, warning tape across the porch. Same silhouette, proportions and art style as a matching set, only colors and small details differ. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

LOCALES

9. "EL IMPERIO" — comidas

Fast-food restaurant seen directly from the front, warm cream facade, red and white striped awning over the entrance, big storefront window showing a counter inside, flat rooftop tilted toward the viewer with a large sign: a golden crown over a sandwich and the text "EL IMPERIO", menu board next to the door. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

10. "FARMAVIDA" — farmacia

Small pharmacy seen directly from the front, clean white and mint-green facade, glass front door centered, flat rooftop tilted toward the viewer with a sign: a green cross made of a leaf and a pill capsule with the text "FARMAVIDA", glowing LED cross beside the entrance, vitamin poster in the window. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

11. "FERRO DURO" — ferretería

Gritty hardware store seen directly from the front, dark gray facade with metal shutters half-open, barred front window, flat rooftop tilted toward the viewer with a weathered sign: a black anvil with two crossed wrenches and the text "FERRO DURO" in stencil letters, stacked crates by the door, oil stains on the sidewalk. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

15. "HILO FINO" — ropa

Clothing boutique seen directly from the front, elegant burgundy facade with a large display window showing two dressed mannequins, golden door frame, flat rooftop tilted toward the viewer with a sign: a golden clothes hanger forming the letter H and the text "HILO FINO" in serif letters, small cream awning. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

16. "24 SIETE" — *kiosco*

Small convenience store seen directly from the front, bright yellow facade covered with product stickers and a soda fridge visible through the window, narrow door with a bell, flat rooftop tilted toward the viewer with a sign: an owl with wide-open eyes inside a clock face and the text "24 SIETE", stacked newspaper bundles in front. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.

17. "LA NAVAJA" — *barbería*

Barbershop seen directly from the front, dark green facade with a classic red-white-blue barber pole beside the door, big window showing a barber chair inside, flat rooftop tilted toward the viewer with a sign: crossed straight razor and scissors over a mustache silhouette and the text "LA NAVAJA", checkered floor visible at the entrance. 2D game asset, straight-on front view: the building faces the viewer directly, front facade fully visible and centered, no corner angle, no side walls, full rooftop visible tilted toward the viewer (top-down 3/4 perspective), pixel art, 32px tile grid proportions, clean dark outlines, flat even lighting, vibrant urban color palette, solid flat magenta background (#FF00FF), nothing else in the scene, no shadows cast on the background, no text except signage.
